

Transformation of Nursing Education: Pedagogy, Technology and Fiscal Resources

SREB Council on Collegiate Education for Nursing

Annual Meeting and Conference

November 15-17, 2015

JW Marriott Hotel Buckhead

3300 Lenox Road, N.E.

Atlanta, GA 30326

404-262-3344

We are pleased to announce the dates and program plans for our annual business meeting and conference at the JW Marriott Buckhead in Atlanta, Georgia. The theme for this meeting addresses some of the concerns nurse educators face as they provide leadership and guide the learning experiences for students enrolled in the varied levels of programs offered for registered nurses. The Program Committee, led by Dr. Linda Streit, dean of the Georgia Baptist College of Nursing of Mercer University, has selected speakers to share their observations and success in developing innovative nursing programs to help students meet the requirements for graduation and licensure.

Concurrent sessions provide opportunities for deans and faculty to share observations with colleagues, establish new and maintain contact with established networks, and to leave with new ideas and contacts. The overarching goal of the conference is to help deans and faculty become more aware of the impact of changes in higher education and methods of delivery on nursing education. Program information and a registration form are attached.

Sincerely,

Demetrius Porche, Ph.D., RN, FAANP, FAAN
President
